Guide services:

A representative (tour manager) will be with your group throughout your stay. This person is the main contact between your group and Premier International Tours. If problems arise, please discuss these with the tour manager first before you call our offices since they are on the ground and more able to resolve issues at the destinations. Your representative will help plan your daily schedule and help in the event of any unforeseen problems or changes. This representative is not a professional city tour guide(s), although he/she will have general knowledge of the cities you are staying in and the surrounding areas. Please find below a job description of our representatives.

- Be with the group from arrival till the last evening. Join them during transfers to the accommodation, location where meals are served, fields, game events and excursions.
- Discuss the program in advance with club contact. Create a good relationship with the club contact and driver (if the group has a private bus available).
- Translate where necessary.
- Make sure the group behaves correctly; attend opening, finals, award ceremonies, and other organized activities.
- Mediate in case of damage or conflicts with/to accommodation, buses, etc. Make sure to make a report on this.
- Support the group in case of visit police station (theft) and/or hospital.

It is very important that the group leader sits down with the guide upon arrival and discusses the daily program and sightseeing activities planned. Then, during the trip the group leader should also discuss each day with the guide the program for the next day in case of any last-minute changes so the guide can communicate any changes to other parties (hotel staff for meals, bus driver, etc.)

Please note that it is customary to tip the guide at the end of the trip if the guide has done a good job. We highly recommend collecting approx. \$3.00-\$5.00 per person per day (local currency) for each guide for the trip.

Ground transportation:

During your stay, a private bus will be available exclusively for your group. The motor coach can be used for excursions and all local transportation (such as transfers to/from the friendly game locations and for sightseeing). You have a maximum of 1,000 kilometers available. The following restrictions have been set by the European transportation departments:

The bus driver can drive a maximum of 9 hours per day and can be on duty for 12 hours (so 3 hours wait/rest time during a day). Twice a week the driver may use the bus for 10 hours. This is mostly used for long transfers from country to country.

- Each day the bus driver must have an 11-hour rest period between his transportation duties.
- During transfers every 4 hours the driver must make a 45-minute required rest stop.

It is also customary to tip the bus driver if you have a private bus throughout the trip and the same bus driver throughout the trip. We recommend approx. \$2.00 - \$3.00 per person per day (local currency) for this, see below for when you have different bus drivers:

- If you only have the driver one day and no special services – tipping isn't necessary.
- If you have a driver for 2 or more days – highly recommend tipping.
- You can ask the tour manager to check with the driver on day one if they will be with you the whole trip and if not, they can confirm when the change will be made. Based on this you can tip accordingly.

Individual deviations/flight changes and upgrades before departure: If any individual traveler needs a deviation (earlier flight departure than the group or later flight return than the group) this needs to be requested as soon as possible. We can't accept any deviations after **March 7, 2025**. Every airline charges a standard deviation (change) fee of **\$150.00** per person plus a possible increase in fare on the requested deviation/changed flight. All deviation requests are subject to availability of flights. Please note that airlines allow only a maximum of 10-20% of the group to deviate (percentage depends on the specific airline) and the deviations must be done with the same airline as the group. Deviations can be made for either the return flight only or outbound flight only (depending on the specific airline) but not both. Only a select few airlines allow routing changes on deviations so routing changes are also subject to the conditions of the specific airline used for the group flights. Because this is a group booking which has group conditions, individual requests to upgrade to business/first class may not be allowed by the airline and are subject to availability and pricing at the time of the request. We can request this on an individual basis.

Seat assignments:

Around **February 7, 2025**, we will send the team manager or coach a list to check the official names (as per passport) for the airline. Passengers can add seat requests to this spreadsheet such as 'window seat' or 'aisle seat' or who wants to be seated together. These requests **cannot** be guaranteed. The airline will typically assign seats at the time of ticketing, but we will have additional information once the tickets are issued. Passengers may be able to access their reservation using their PNR/Record Locator and last name online at the airline's website ([American Airlines](#)) to change their seating assignments. Some airlines may only allow seat change requests at check in at the airport on the departure day – this will be advised when we send the e-tickets to the group leader.

Check in:

Passengers may be able to check in for their flight online 24 hours prior to their departure. In some cases, the airline may not allow online check-in and require the whole group to check in at the airport on departure day. This will be confirmed when we send e-tickets to the group leader.

Airline Tickets:

Airline (e)tickets will be forwarded to the group leader approx. 2-3 weeks prior to departure and we have received full payment from all travelers. When airline tickets are sent, we will also include instructions on how, when and where the group passengers can check in and how to make flight changes while traveling if necessary. Make sure to check in at the airport, allowing 3 hours prior to departure.

Information for flights in case of flight changes or cancellations:

Please note that your group is booked through the group departments of airlines under group fare guidelines and conditions. Many times, we must go through the group department of the airline to change flights for the group or individual passengers, etc. Therefore, please follow these guidelines regarding any flight cancellations or changes during the trip.

- Cancellations or Delays: If your group encounters cancellations or delays, seek help from the gate agents or airline staff immediately! At this time, your tickets are now in airport control and the airline staff at the airport have full authority of the records to provide alternative flight options and accommodations and are responsible for assisting your group! Do not leave the airport until your group has been re-accommodated and all travelers are accounted for.
- Connections: If you have tight connections, concerns with making your connections, or missed a connection, seek help from a gate agent immediately. The airline staff will again have control of your tickets and are responsible for assisting you on your day of travel disruptions.
- If any individual wants to change flights on the day of departure (dates only, routing changes not permitted), then individuals should contact the airline first to see if the change can be made. If the change cannot be made by the airline, contact us and we will contact the airline group department and attempt to make the change. Please note that the group departments of airlines are closed at the weekends, so we have some limitations.
- Missing Baggage: Travelers must file claims with the airline staff at the airport immediately and provide a personal cell phone number for the airline to reach them directly.

Sightseeing activities/excursions:

Included below are the excursion options we offer. We offer the service to pre-book 1 or more of these excursion options but not later than **February 7, 2025**.

Day by Day Itinerary

Putting together your day-by-day itinerary is a complicated process since there are various items/tour components to take into consideration which makes it a multi-step process.

1. We have created a provisional itinerary which will be similar to the itinerary included in the proposal you received from us before booking your tour. After that, we would like to know by **February 7, 2025**. We will not be able to book these excursions right away because we need to wait for the game schedule which will be available approx. two weeks before departure. So, they are subject to availability at that time.
2. Then we start working on your team's game schedule.
It is common that we won't know your team's game schedule until approx. 1-3 weeks prior to your departure because:
 - a) Many international teams - local teams at your travel destinations - will only find out 3-4 weeks prior to your tour dates what kind of league games they need to play and when they are available to play against your team.
 - b) Many of the clubs in Europe use community/municipal fields/courts and these cities won't release these fields/courts until 2-3 weeks prior to the assigned games.
 - c) After your games are assigned, we need some additional days to plan the excursions you would like to have pre-booked.

This is all time consuming since it is a lot like a puzzle which will come together bit by bit/piece by piece. This the reason we are not able to send you the final itinerary as soon as you and your travelers would like. We strive to have a final itinerary available between 1-3 weeks prior to departure.

Referees:

For your games, a referee(s) will be provided.

People not booking arrangements through Premier International Tours:

Please be aware that we cannot provide any transportation from or to the airport or for any pre-arranged group tour activities (sightseeing excursions, etc.) or any transportation arranged for the group for individuals which did not book the tour package with Premier International Tours. Because of liability/legal issues with our suppliers (Bus Company, etc.) people who booked their own flights and accommodation are not allowed to just join the group on bus transfers arranged for the group.

If you have anyone who wants to join the group later in the booking stage, please contact us **no later than March 7, 2025**, and we will try to accommodate the requests.

General Participation Conditions:

We again strongly encourage your participants to review the General (Cancellation) Conditions and General Information document on your group website page to make sure all participants are aware of/understand these conditions to avoid any misunderstandings.

Final payment:

Please note that delayed payments (within 6 weeks prior to departure) must be made by cashier's checks or credit cards. We will release the travel documents and travel information after receipt of full payment of **ALL** travelers.

Group arrangements:

This is a group tour arrangement. The participant prices are based on the number of people traveling. If this number goes up or down the participant prices will be adjusted as per your proposal.

Documents you will receive from us:

- Final itinerary: 1-3 weeks prior to departure.
- Airline tickets: 2-3 weeks prior to departure.

Should you have any questions please do not hesitate to contact me.

Sincerely yours,

Loek van Zijl
President Premier International Tours

TOURISTIC INFORMATION/SIGHTSEEING IN VENICE

No need to pre-book any excursions. The easiest way to get from your hotel into Venice is to buy a return bus ticket from reception (currently €3.00-€ 4.00). The bus stop is located 150 metres from the hotel. Take the 4 or 4L bus (runs every ten minutes) and in fifteen minutes you will be in Piazzale Roma. From here you can take the vaporetto (boat) #1 or #2 (currently €9.00) along the Canal Grande towards Rialto and St. Mark Square. Alternatively, you can walk around the city and reach St. Mark Square in about fifty minutes. Returning from Piazzale Roma catch the same bus 4 or 4L and get off in Corso del Popolo.

Venice is the capital of the Veneto region in Italy. It is situated across a group of 117 small islands that are separated by canals and linked by bridges. These are located in the shallow Venetian Lagoon, an enclosed bay that lies between the mouths of the Po and the Piave Rivers. Parts of Venice are renowned for the beauty of their settings, their architecture, and artwork. The lagoon and a part of the city are listed as a World Heritage Site.

Basilica di San Marco (Saint Mark's Church): This elaborate church sits on the popular piazza by the same name. The church was built in honor of Saint Mark the evangelist, whose remains were stolen from their home in Alexandria, Egypt, and hidden in barrels of pork by a couple crafty Venetians, intent on bringing him to rest in Venice.

Piazza San Marco (St. Mark's Square): St. Mark's Square, or Piazza San Marco, is considered by many to be the heart of Venice. As the largest square in Venice, St. Mark's Square is the only "piazza" in the city. All other squares are campis or campielli. Lining the square are multiple historical sites including St. Mark's Basilica, St. Mark's Campanile and Doge's Palace, as well as a number of restaurants, making it the perfect spot for leisurely people-watching and wine sipping. Along with intricate architecture and hearty plates of spaghetti carbonara, visitors will also be met with throngs of tourists, pigeons and vendors selling souvenirs. If you hoped to pick up a gondola hat or a carnival mask during your trip, this is the place you will find them.

Rialto Bridge (Ponte di Rialto): Several centuries ago, if you wanted to cross the Grand Canal, the Rialto Bridge was the only way. Now there are other options, including the Accademia Bridge. The bridge's current incarnation is the handiwork of Antonio da Ponte, whose name translates to "Anthony of the Bridge," is built entirely of marble after collapsing multiple times from previous wooden designs. Predicted to fail by critics, the bridge still stands and is considered an engineering marvel.

Grand Canal: Considered to be the main street of Venice, the 2-mile-long Grand Canal is one of the city's most popular and highly photographed attractions. Recent travelers recommend hiring a gondolier for a romantic (but expensive) row along the canal.

Doge's Palace (Palazzo Ducale): Views from the Venetian Lagoon give the Doge's Palace an ethereal look — almost like it's floating on top of water. But it's fitting, as the Doge's Palace (or Palazzo Ducale) has witnessed an intriguing history in its role as the residence of the doge (leader), the seat of government and the palace of justice. Everything from execution orders to the affairs of Venetian leaders was carried out here; and a web of secret passageways and hidden doors reveals a decidedly mysterious past.

The Ponte Vecchio's two neighbouring bridges are the Ponte Santa Trinita and the Ponte alle Grazie.

Building work for this grand structure originally began in 1506 and is the burial site of its namesake Saint Peter, one of the 12 apostles of Jesus. One of the key architects of the Basilica was Michelangelo and some of his original drawings for a section of the Dome were found as recently as 2007.

Prices and availability for these excursions may change a little at the time of booking.

SIGHTSEEING IN AMALFI COAST/SORRENTO

No need to pre-book any excursions.

The Amalfi Coast is a stretch of coastline on the southern coast of the Salerno Gulf in the Province of Salerno in Southern Italy. The Amalfi Coast is a popular tourist destination for the region and Italy as a whole, attracting thousands of tourists annually. In 1997, the Amalfi Coast was listed as a UNESCO World Heritage Site as a cultural landscape.

Amalfi Coast: Sorrento makes for a great base from which to visit the Amalfi Coast and the SITA buses run throughout the day from Sorrento to Amalfi. For a different approach hop on the ferry and get a unique look at Positano as you approach from the sea. The communities of Positano, Amalfi, and Arvelo are all beautiful and worthy of a visit. If time permits visiting only one, then, by all means, make it Positano. This stunning seaside community is built right into the side of the mountain and offers a dramatic landscape.

The main attraction, however, is the famous Amalfi Drive which offers up some of the most amazing coastal scenery in the world. If you're feeling adventurous then rent a car for a day and take a drive on this twisting, cliff-hugging drive.

Cathedral of Sorrento (Duomo): With its beautiful clock tower, the Cathedral of Sorrento is easily recognizable and is centrally located on the Corso Italia, the main thoroughfare in the heart of Sorrento. The interior of the Duomo, as it is known, is in sharp contrast to the simple exterior of the church and treats visitors to some wonderful frescoes and a dramatic altar with a crucifixion above it.

Old Sorrento: The old section of Sorrento is a wonderful place to get lost in its narrow streets and alleyways. Here you'll discover colorful shops, quaint trattorias and the true essence of Sorrento.

Spend a few hours wandering this section of town and you'll know why Sorrento is such a popular destination. The old town center is home to numerous historical buildings including the Basilica of Sant 'Antonino and the complex of San Francesco, which includes the church, cloister, and convent.

Marina Grande - Marina Piccola: Take a walk down to the Marina Grande and Marina Piccola for a different perspective on Sorrento. The easy walk down the cliff will be not so easy on the return trip but it's worth the effort. Marina Piccola is the main port of Sorrento and where the ferries go to and from Capri, Naples, and Amalfi dock. Marina Grande is the old, former port of Sorrento that is now a quaint fishing village with excellent seafood restaurants and rustic homes and shops.
